

Survey conducted by The JourNoll

What does your social media relationship status say about you this Valentine's Day? Single or recently single? In a relationship or recently broken up? Is it complicated?

Whatever it is, the JourNoll has a Valentine's Day playlist for you. You participated in a survey with three different categories, and after careful calculations we have your Valentine's Day playlist. So no matter what your relationship status is...if you are single, going through a bad break up or totally and completely in love, we have the perfect songs for you to listen to. Go on Spotify, Apple Music, or YouTube; connect your AirPods and enjoy the music!
